To Whom It May Concern:

It is with great pride and sincerity that I write this letter of recommendation for Mr. Jeffery Bunner. I have had the privilege of working with Mr. Bunner the past few years and can honestly say he has all the personal traits that we strive for in our profession.

Jeff is a role model for students and a mentor for teachers that are new to the staff. Mr. Bunner's commitment to education is evident in his work. He is energetic, cooperative and always willing to take on leadership roles. Jeff is a life-long learner who explores new ideas and seeks new experiences that enhance his leadership skills. In the time I have known Jeff, I found him to be highly skilled, innovative and enthusiastic in his approach to working with students and colleagues. Mr. Bunner is a great problem solver and has an uncanny ability to address challenges and make decisions that are in the best educational interest of his students. He is a remarkable individual who possesses many skills that make him a vital part of our educational team. He possesses leadership qualities that enable him to communicate effectively with his students, parents, fellow teachers and the administration of Washington High School.

Mr. Bunner has done exemplary work throughout his teaching career. He is one of our lead teachers and head chair of the Social Studies Department. Jeff has been teaching dual enrollment courses through California University of Pennsylvania (AP U.S. History, AP European History and AP Sociology). Jeff also teaches Psychology, however this course has yet to be offered as a dual enrollment course. He does a superior job of challenging our most advanced students by pushing the rigor to the highest level. Mr. Bunner challenges his students to think critically and always pushes them to perform at their peak potential.

Mr. Jeffrey Bunner is a highly qualified professional and an extremely well respected member of the Washington High School community. It is without reservation that I proudly write this letter of recommendation.

Sincerely,

Robert (B.J.) Mihelcic

Principal

Washington High School
